

GALAXY  
**EARTHMOVER &  
MINING**  
  
TRA: **E-4**  
Speed Rating: **F**

Galaxy Rock Max is designed especially for heavy duty surface mining applications. Robust nylon carcass with higher number of actual plies, provide superior strength to the carcass. A specially formulated tread compound for mining and extra wide reinforced bead provide greater strength. Wide flat tread profile results in larger ground contact higher stability, load carrying and traction.
