

ALLIANCE  
AGRICULTURE  
  
TRA: **IMP**  
Speed Rating: **A8**

A 320 Value Plus is specially designed for agricultural implements. Its large footprint high rubber to void ratio minimizes soil compaction. Strong textile construction ensures optimal performance and long tire life. This tire can be used on roads and also for grassland and sensitive soil applications in the fields.

When tires equip vehicles subject to haulage cyclic high load variations excluding transport application on long distances, i.e. vehicles used on round trips (e.g. from field to farm) where on one way the vehicle is empty & on the other way the gross vehicle mass exceeds two times the mass of empty vehicle (last two rows in the table). Please note that the PR/LI corresponds to the HLV.
