TRA: E-2/G-2/L-2
Speed Rating: B

MGSR 210 Multiuse Special Winter tire represents an excellent all seasons tire provided with specific, wide, non-directional 5 block tread pattern which enables good grip on every surface and good self-cleaning even in muddy terrains. Its strong steel stress resistant casing reduces punctures. The tires special rubber compound, aggressive blocks and sips enable exceptional traction, maneuvering ability and braking on ice & snow as well as on sand and loose terrains. Low motion resistance of the tire significantly decreases vehicle fuel consumption, and special rubber compound along with strong all-steel carcass enables longevity.
