

**GALAXY
 AGRICULTURE**

TRA: **R-1**
 Speed Rating: **D**

EarthPro RC is the latest addition to the Galaxy's superior range of agricultural tires, designed keeping in mind the changing needs of sprayer operations. EarthPRO RC, with its high tread depth and "D" speed rating, provides excellent traction and high speed, ensuring increased productivity and reduction in transportation time. Excellent self-cleaning, enhanced crop protection and many more such advantages make it the perfect choice for agricultural needs.
