TRA:
Speed Rating: A1

Galaxy CTM 101 is a premium offering and a one stop solution for compact machinery used in construction. The tire is designed for heavy-duty applications with very good resistance to shock and perforation. It comes with a special rubber compound that provides chunk and tear resistance, longer service life and driving comfort. The versatile and robust diagonal construction provides exceptional stability for high lifting and heavy loading and is suitable for a wide variety of applications.
