**ENGINEERED AND CONSTRUCTED FOR OUTSTANDING  
PERFORMANCE ON SNOW AND ICE**

# 551 MULTIUSE PROFESSIONAL

The Alliance 551 Multiuse Professional is the perfect choice for operators who work day and night in snow, ice and slush—pros who don't stop, no matter what Mother Nature throws at them. With its special rubber compound and precisely engineered, siped tread design, the Alliance 551 provides a sure grip and smooth ride, even in extreme low temperatures. Beneath that aggressive tread, the 551's steel-belted construction ensures excellent durability, stability and fuel efficiency.

**SIPING ON THE BLOCKS**  
Variable-depth sipes add biting edges for traction and guide snow and slush away from the tread for added grip

**STEEL BELTED CONSTRUCTION**  
Superior durability and a broad, even footprint deliver grip, even wear and excellent fuel efficiency

**LOW NOISE AND VIBRATIONS**  
Engineered block tread minimizes vibration for a stable, quiet ride

**CENTRAL BLOCKS**  
Siped, curved center blocks ensure safety and ride quality at speeds up to 40 mph (65 km/h)
