

ALLIANCE AGRIFLEX+ 881 BUILT FOR PERFORMANCE AT HIGHER LOADS

- Robust All Steel construction
- Carries up to 40% more load at the same air pressure
- Stubble guard compound resists punctures in the field and provides maximum durability
- Ideal partner for heavy duty agriculture applications
- Reduces downtime and maximizes vehicle productivity

I-2

AGRIFLEX+ 881 VF I-2

The Alliance Agriflex+ 881 is the latest addition to Alliance's engineered series of Agriflex tires. Specially designed to provide higher load carrying capacities for Planters, balers, trailers and agricultural implements. It can carry up to 40% more load at the same amount of pressure while ensuring minimum soil compaction. Robust all steel construction with presence of stubble guard compound assures minimum downtime and maximum vehicle productivity making it an ideal partner for heavy duty agriculture applications.

WHAT MAKES THE AGRIFLEX+ 881 SPECIAL?

TREAD DESIGN

Unique cross cutting rib design ensures larger footprint and minimum soil compaction

Non directional shoulder lugs provide better grip, especially on loose surfaces

ALL STEEL CONSTRUCTION & SUPERIOR COMPOUNDING

Strong carcass for excellent durability

Steel belts ensure protection against damage and provide longer footprint

Special tread compound safeguards tire against wear

Stubble guard compound provides protection against stubble damages
